

Dear Parents,

Welcome to the Kids Connection family! From infants through preschool, our team has a genuine concern for your child and their experience in our program. We provide developmentally appropriate group activities, engaging exploration centers, and outdoor play. Our goal is to help your child develop the cognitive, physical, and social emotional skills they will need to be successful in school *and* life.

We have a terrific After-School and Summer Camp Program that provides your school-aged child with opportunities to learn and practice important social skills and engage in new experiences. Your child will have plenty of freedom to choose the activities that interest them while making new friends and participating in clubs such as: The Writers Guild, Science Society, or Homework Heroes.

I know as a parent you have many options available to you when it comes to the care of your child. I would like to take this opportunity to personally thank you for the trust you have placed in us as the best choice for you and your family. It is my sincere desire to make your experience at The Kids Connection as positive and stress free as possible.

Sincerely,  
Tami Thomas  
Owner
